## Astrological Meaning of 6 Fingers and Toes – six fingers astrology

According to Indian Vedic astrology, who have 6 fingers in hand or toes are very lucky and in some hands the little finger has the sixth finger and in some hands it is near the thumb. It is believed that according to palmistry, those individuals who have 6 fingers in their hands or toes are very lucky and such a person is more fortunate.

## Medical Science Behind it?

There's a logical explanation of everything. The science behind six fingers is, it's a genetic condition called polydactyl. It is a very common congenital malformation.

## Famous People With Six Fingers (celebrities and famous people with 6 fingers or toes)

Although Medical science denies that having a sixth finger or toes can bring extra luck to someone, there are few successful individuals from different professions who have extra fingers and toes. They do not credit their extra digits to be the secret behind their success, but astrologers believe so. Have a

look.
