

## Gemini sign – Health and Medical Astrology

Every human being has its own zodiac sun and moon sign, everyone have to know this. But you hardly know that, not only at the level of emotion and spirituality, but also at the level of your health, you represent your zodiac sign.

As enthusiastic and talkative as these natives are, the energetic their state usually is, as their health is good. They don't care much about their health but they have such an active lifestyle that their bodies quickly adapt to any kind of change.

According to astrology, every zodiac has the right over certain parts of the body and when those parts of the body are ill or problematic, then the energy of the zodiac sign related to those organs proves to be healthy.

There are many popular sayings that state the importance of health in one's life. For instance that health is the most precious thing and that anything else can be obtained in life but health is something we need to cherish and take care of. But the way our wellbeing can change it's still hazardous and our modern lifestyle exposes us to various aggressions from the environment or even from our own actions.

It is also very good for your health. Cucumber, cheese, peas and potato chips will be very healthy for you.

This is why it is important to get as much particularized knowledge about our bodies in order to prevent the appearance of any health issues. We can control and take care of our health to a quite large extent. Astrology has come to our rescue with descriptions of the strengths and weaknesses of each zodiac sign.

In such a situation, if you want the right solution to the problems related to health, then treatment according to your zodiac sign can be a particularly beneficial remedy. Know how you can cure according to astrology.

These descriptions can help raise awareness on your bodily symptoms. This article presents the way Gemini people regard their health, the organs that are ruled by the Gemini zodiac sign and list some of the risks these natives could undergo when it comes to their health.

Gemini is ruled exclusively by your mind, thoughts, and ability to express yourself, arms and hands. Through their energy, people of this zodiac are adept at the art of systematic expression of thoughts. Such people are mainly writers, speakers and communicators. But due to the imbalance of energy, people of this zodiac may have problems like scattered thoughts, confuse, pain in hands or arms, fear of giving expression, speaking without thinking or being interested in talking and listening here and there.

Their general health presents quite an interest to these people. They are known for their glow of health as they are active individuals. They most certainly do not worry for every little scratch. They take what life gives them and face any consequence of their lifestyle bravely.

The Gemini zodiac sign rules the shoulders, arms, hands and lungs.

The ruler ship of the twins over the above mentioned areas means that these people are susceptible to suffer from small accidents involving the upper limbs and the collarbones.

These natives should also take exceptional care for their lungs starting with the way they breathe. Their lifestyle can trigger some unwanted issues on their sensible organs and they most certainly should avoid smoking.

Remedy: To avoid these, it may be better to meditate or write a daily diary. Doing this will help you to be calm, as well as get rid of repeated thoughts in your mind.
