New Year 2021 is giving good signs, do not be afraid of CORONA, follow the rules.

The corona virus (COVID-19), which has spread as a pandemic all over the world, has become a cause of trouble for all. In such a situation it becomes our collective responsibility to take necessary steps against this corona virus. Follow the instructions issued by the government and health organizations.

Energy balance is the basis of creation

According to Acharya V. Shastri ji, one of the famous astrologers of the country, the impact of this epidemic will gradually reduce from India with the new era. Whenever such an outbreak spreads in nature, it causes negative energy effects. Nature balances it in its own way. The outbreak of this outbreak in China also had negative energy effects. best astrologer in Dwarka delhi, astrologer in delhi ncr, top astrologer in Gurgaon,

New year 2021 is giving good signs

The New Year is starting on Wednesday, March 25 with the Vikram Samvat 2077. According to astrologer Acharya V. Shastri ji, this year is giving auspicious signs.

As a result of which the outbreak of corona virus epidemic will also be reduced. It will not have much impact on India. Because of COVID-19, do not be afraid but follow the rules wisely.

Follow the instructions, seek health advice

But it is not like you should be negligent. Followed by government-issued lockdown. It is our ultimate duty as responsible citizens of the country.

Keep these things in mind to avoid corona (COVID-19)

- Take special care of cleanliness to avoid corona virus. After applying anything, wash hands thoroughly for about 20 seconds.
- Stay away from corona virus infected person. Keep a distance of about 2 meters from the person suffering from other cold, cough etc.
- Do not put hands repeatedly on the eyes, nose or mouth. Clean hands thoroughly with soap or sanitizer.
- Cover your mouth with tissue paper while coughing or sneezing, and throw it in a closed trash can after use.
- If tissue paper or handkerchief is not available, then cover it above the elbow and sneeze.
- If you have fever, phlegm and breathing problems and you have met someone infected with this virus in the last 14 days, seek medical advice immediately.
- Avoid going to a crowded place, stay indoors and leave when necessary.
- If you are seeing signs of corona virus, then do the test and do not go close to any person till then. This will ease the growing danger.

- Drink lots of water. Drink lukewarm water two to four times a day.
- Focus on the advisory of government and health organizations and maintain social distancing.

This is not the time to worry but to analyze ourselves. Tampering with nature, creates negative energy that exerts such inauspicious effects. Do not consider this time that you are closed, understand that this is the time to give up your old wrong nature, bad behaviour. Provide auspicious feelings of good resolutions to the whole nature, not of fear.

सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामयाः,
सर्वे भद्राणि पश्यन्तु मा कश्चिद् दुःख भाग्भवेत्।
ॐ शांतिः शांतिः शांतिः

That is, "May all be happy, all be free from disease, be witness to all the auspicious events and no one has to be a part of sorrow".
