Be it auspicious or inauspicious time, every subsequent one informs us, does, "Why I faced financial losses? Why did I become Bankrupt?"

Did you know that there is an astrological angle to it? Read this blog to know the astrological reasons behind a sudden fall.

### Bad Financial Period

Like, 'Life is a sign of death', 'Illness is a sign of poor health', etc. Everything informs us, even our financial troubles. Yes, Dur Yoga, impoverished yoga

indicates bad economic times to come in the business.

### **Dur yoga or Darider Yoga in Horoscopes**

According to Vedic astrology, Dur Yoga and Darider Yoga are considered inauspicious among the yoga and many Vedic astrologers believe that the formation of either of these two Yogas in a horoscope will affect the business and economic prosperity of the native. Has the opposite effect.

### **Dur yoga**

According to the prevalent definition in Vedic astrology, if the lord of the tenth house in a horoscope is situated in the 6th, 8 or 12th house of the horoscope, then in this horoscope, Dur Yoga is created which can have a very inauspicious effect on the occupation of the native. Is. Some Vedic astrologers believe that the economic condition of the natives who come under the strong influence of Dur Yoga remains poor throughout their life and such natives have to live by doing heavy physical work. At the same time, some other Vedic astrologers believe that the people who come under the strong influence of Dur Yoga earn money through immoral and illegal activities, due to which these people have no respect in the society and such people hurt others for their benefit. Do not hesitate to deliver at all.

According to the prevailing definition of Dur Yoga, this yoga is formed in every fourth horoscope because the planet of the tenth house of the horoscope is likely to be located in any of the three special houses in any of the twelve particular houses of the horoscope. Thus, in the horoscope of every fourth person of the world, there is bad yoga, and every fourth person in the world is very poor or guilty due to the inauspicious effects of Dur Yoga. This fact is from reality and therefore according to the prevailing definition of Dur Yoga, this yoga should not be created. I have found in my experience that if the lord

planet of the tenth house in a horoscope is inauspicious and sits in the 6th, 8 or 12th house of the horoscope, then in this horoscope, there can be a formation of Dur yoga and in the horoscope of the planet lord of the tenth house. Being auspicious, sitting in any house from 6th, 8th or 12th house does not create a bad yoga in the horoscope, but one can also create auspicious yoga by being located in these houses of such auspicious planet. The horoscope created in the horoscope becomes even more inauspicious if there is influence of other inauspicious planets on the lord planet of the tenth house in the horoscope.

### Example

If the inauspicious Mars is placed in the sixth house by owning the tenth house in a horoscope, then in such a situation, there can be a formation of Dur Yoga in the horoscope, and inauspicious Saturn or Rahu is also associated with such Mars. The fruit of yoga becomes even more inauspicious due to which the people who come under the strong influence of this yoga can become terrible criminals. But if Mars in this sixth house of horoscope is auspicious in the above example, then there will not be any correct yoga in the horoscope and such a person can become a doctor, lawyer, judge, astrologer, police officer, army officer etc. Similarly, being the lord of the tenth house of the auspicious Mars, being situated in the twelfth house of the horoscope also does not create a bad yoga in the horoscope and such a person can be established abroad with the goal of earning money and such a person can earn a lot of money abroad. . Therefore, in order to decide whether or not to be in a horoscope, it is very important to know about the nature of the lord planet of the tenth house and other important facts of the horoscope.

### Daridra Yoga

According to the prevalent definition in Vedic astrology, if the lord of the 11th house in a horoscope is situated in the 6th, 8th or 12th house of the horoscope,

then in such a horoscope, it becomes poor, which is very inauspicious on the business and financial condition of the native. Can make an impact. Some Vedic astrologers believe that the economic condition of the natives who come under the strong influence of impoverished yoga remains poor throughout their life and such natives have to face the financial crisis many times in their lives. At the same time, some other Vedic astrologers believe that the people who are under the strong influence of poor yoga earn money through immoral and illegal activities, due to which these people have no respect in the society and such people hurt others for their benefit. Do not hesitate to deliver at all.

According to the prevalent definition of Daridra yoga, this yoga is formed in every fourth horoscope because the lord planet of the 11th house of the horoscope is likely to be located in any of the three particular houses in any of the twelve particular houses of the horoscope. Thus in the horoscope of every fourth person of the world, poor yoga is formed and every fourth person of the world is very poor or guilty due to the inauspicious effects of poor yoga. This fact is based on reality and therefore according to the prevalent definition of impoverished yoga, this yoga should not be created. I have found in my experience that if the lord planet of the 11th house in a horoscope is inauspicious and sits in the 6th, 8 or 12th house of the horoscope, poor yoga can be formed in such a horoscope and in the horoscope of the planet lord of the 11th house. Being auspicious, sitting in any house from the 6th, 8th or 12th house does not create poor yoga in the horoscope, but one can also create auspicious yoga by being located in these houses of such auspicious planet. In the horoscope, the malefic planet of the 11th house is influenced by other inauspicious planets, and the poor yoga created in the horoscope becomes even more inauspicious.
