How to check or identify the bead Trijuti Rudraksha is Original (कैसे जांचें कि मनका एक वास्तविक त्रिजुटी रुद्राक्ष है)

- Original Rudraksh bead will have a well-defined face, which means that the lines running from one end to the other are well defined.
- Look closely at Rudraksha and check if the shape and corn are natural

and whether there are cracks with the mukhi.

- Check if the pearls are shiny, healthy and have no insect holes.
- The garland of Rudraksha is obtained from Nepal and Java. The pearls of Nepal are different in appearance and shape as compared to the Java Beeds.
- The garland of Nepal is large in size and the curved line runs like a deep groove on the surface. Java pearls are small and solid in appearance and have curved lines in the form of white thread on the surface. Both varieties are rare and much sought after. Due to the large surface area, pearls of Nepal work rapidly. But as you wear it regularly on the body, the long-term effect of both varieties is the same. Due to a monopoly on purchases, the price of Java beads is kept low by the Divine Messenger and thus buyers can benefit by using these mukhi and rare high faces at low cost.
- Rudraksh from Nepal as well as Java, Indonesia emit electromagnetic vibrations that affect our body's energy centres chakras and bring harmony and order back to the wearer's life.
- Look closely whether the lines on Rudraksha's body move from one end to the other without breaking.
- Check if the bead is tempered or not.
- Keep the bead of Rudraksha inside a glass of warm water for some time, remove the bead and check whether the water is clean or if there is any germ.
- Check if the bead is still solid and there is no broken or glued face,
- Look closely if the bead has any small holes or damage. If Trijuti Rudraksha undergo the above test, it is the root
- Allow the Rudraksha bead to dry and then wear it as per the procedure mentioned above.
