Vastu plays an important role in the decoration of the house, even after its construction. It is good to get any construction related to the house done after the advice of all Vastu experts. Improper construction done in the house causes architectural defects. These have a direct impact on the members living in the house, many times there is a big Vastu defect, so that a big evil is also the reason.

Let us know the things related to Vastu Dosha and Vastu defect prevention measures:

Ganesha idol in the temple

In the image or picture, bring a left-handed curved statue or statue. On the right side, the trumpeted Ganapati is considered stubborn, hence his cultivation

is also difficult. Keep this in mind.

Kitchen

The kitchen should be constructed at the angle of fire (south-east). If this is not done then Vastu Dosha occurs which is detrimental. For the prevention of architectural defects of the kitchen: If the kitchen is in the wrong place in your house, then put the bulb in the fire. Which will remove the architectural defects of the kitchen.

Black Horse Shoes

Black Horse shoe has been considered as a source of great importance and positive energy in Vastu Shastra. Bring a U-shaped horseshoe in the house and hang it, it is better if you have a black horse. This leads to happiness, peace and prosperity in the house.

Swastik at Home

Make a swastik sign from the vermilion at the main entrance in the house. Swastik is considered very auspicious which destroys negative energy.

Sleeping bed Direction

The bedroom should be towards south. Your head should be in the east or south at bedtime.

Do not keep dust been or garbage in the northeast

Keep the north and east direction always clean and full of light. Space should be kept open in this direction, no heavy goods should be kept here. Not doing so causes vastu defects.

Toilet seat

Place the toilet seat in such a way that it can sit on it facing north or south.

Apart from all these things, there are many such things which are considered important according to Vastu. Many problems and crises arise in life due to any major architectural flaw in the house.
