If a Dhanyog is made directly, then in many coils, a person becomes rich by his own labour, then there are many coils in which wealth is accidentally found without any hard work. In this article we will describe many types of Dhanayog found in the horoscope.

In the horoscope the relation of the second house, the fifth house, the ninth house and the eleventh house (bhava) is interconnected with each other in any way (by change of aspect, position, placing or Ascendant). It is called Dhanayog. If this combination is being made in good mood then you will get good results.

Dhanayog is formed even if the zodiac sign of Dashmesh (10<sup>th</sup> house lord) and Navamesh (9<sup>th</sup> house lord) is changed, provided these signs are not afflicted.
